Dear Parents/Carers,

Sensory Room Fundraising

We are repurposing one of our underused spaces to create a calm and relaxing sensory space to be used by our pupils throughout the day. Schools are seeing increasing numbers of pupils who benefit from having a calm, quiet place to use to help refocus them and regulate their emotions. We will need to raise a significant amount of money over the next few months to make this possible. Miss Mather, our Family Support Worker, is leading on the fundraising. She will be organising a raffle to help raise money for the project. If any parents have any business contacts who would be willing to donate a raffle prize (local restaurants / shops / services. etc), then please contact Miss Mather.

Y3, 4, 5 trip

A huge thank you to all the adults involved in the organising and running of the recent Y3, 4, 5 trip to the Science and Natural History Museums in London. It's no small undertaking to organise trips of this size so it has been wonderful to hear positive feedback from pupils and parents.

PTA Disco

It was wonderful to see so many children dancing and enjoying themselves at our first school disco in a few years. The behaviour of the children was excellent and a great time was had by all. Many thanks to the PTA for organising and running such a brilliant event.

Exciting after school club news!

Core Kids Club, part of the same company who run our hugely popular football club and Friday lunchtime sports club will be taking over our after school club provision from Easter. They will offer a range of structured activities and will operate from 3.15pm—6pm Monday to Friday, with a range of session lengths available. The website for bookings is www.corekidsclub.co.uk

Road Safety

Please ensure you are using the zebra crossing to cross Norreys Avenue as it can be very busy at drop off and pick up time.

Wishing you a peaceful holiday,

Ms Quinell
Headteacher
