News

28th September 2022

Dear Parents/Carers,

It has been a very busy fortnight in school, with the children working hard in their new classes.

Changes to drop off and pick up

We are making a few changes to our drop off and pick up procedures in order to keep our community as safe as possible.

Following consultation with the local council and the police, from Thursday 29th October, cones will be placed at the bottom of the driveway to school at drop off time. If you have a permit to enter the car park, Mr Lawrence, our site controller, will remove the cones. If you need a permit due to mobility issues, do please contact the school office. Please do not park or wait on the double yellow lines outside the school and please do not block any of our neighbours' driveways.

The back gate on Norreys Avenue has been reopened for your use in the mornings as well as the afternoons to reduce congestion. Further to this, both sides of the pedestrian access at the front of the school can be used both ways. We are no longer using the one-way walking system.

We have had reports of some near misses in recent weeks so we are keen to put in place any additional safety measures as needed. Thank you in advance for your support in keeping our community safe.

Love to Learn sessions

We are keen to build in opportunities for parents to see the school in action and their children at work. To this end, we will be organising Love to Learn sessions for each year group where parents can pop in for an hour to see what is happening in their child's class. We are starting these sessions in Reception, so if you are a parent or carer of a reception child, please do come along to our first Love to Learn morning on Tuesday 18th October from 10am—11am. Younger siblings are welcome.

Author Visit

The children in Nursery PM, reception, Y1 and Y2 enjoyed hearing about Bodhi the Dog from visiting author Alison Simpson today. We look forward to organising more visits like this one.
