

School Meals – School meals are provided for all school age children. Children can opt for a school meal or bring a packed lunch from home. **School meals are free for children in Reception, Year 1 and Year 2 under the government universal free school meals scheme.** Meals cost £2.53 each and can be paid for using the Scopay online payment system.

Meals need to be paid for in advance. Any excess money will automatically be carried forward as credit towards meals. A copy of the menu can be found on this page of the school website.

Ordering lunches

We would like all children from Reception to Year 6 to order their lunches online on Scopay, no later than the evening before. You will not be able to book your lunch after this time so you must provide a packed lunch if this time has lapsed. It is recommended that you pre order your lunches for at least a week in advance.

Please note, if your child has any allergies or intolerances, then this must be declared to the school office and you will need to provide a packed lunch for your child until further communication from the school office team.
