News and Events

21 October 2021

This week we have been thinking about how honesty is important in our friendships with others.

Dear Parents/Carers,

We have finally got to the end of what has been a very busy half term. Everyone, adults and children have worked incredibly hard this term and I feel fortunate to be surrounded by such an amazing team.

As you know, Mrs Copitch will be starting her maternity leave after ½ term and we wish her all the luck in the world as she embarks on this exciting new chapter of her life. While we will miss her, I am delighted to announce that we have been joined by Mrs Collinson. Mrs Collinson has worked in senior leadership roles across different schools and different authorities and brings a wealth of ideas and experience to us here at All Saints.

Due to life in school being more 'normal', we have begun to enter inter-school sports competitions. We have to consider the risks of mixing with pupils from other schools due to the pandemic, so all of our competitions have been outdoors and all of our competitors are in the same phase (Y5/6). There have been two competitions to date and we have been extremely successful in both.

Tag Rugby: The children won all of their matches. This was a 'friendly' tournament.

Netball: The children won all three of their matches and will be going through to the final.

I would like to say a huge congratulations to all of the children who represented our school and a massive thank you to Mr Wright for his fantastic coaching.

As we approach ½ term, I know the children will be looking forward to meeting up with family and friends. However, please be aware that the transmission of Covid among school children is very high in Wokingham at the moment. The local authority has sent additional guidance for us to share with our families.

Have a good week and stay safe,

Yours sincerely,

Tracey Stanton

Help Needed

The school governors have a workgroup that concentrates on marketing the school. We need more people in the group and we need their ideas.

The need to promote our school can't be overstated. All Saints is a great school in so many ways and it's crucial that the school spreads its really positive image among prospective parents and the population at large. Not just that - positive vibes about the school spread around the school community - staff, parents, pupils - and drive up morale.

There are many aspects to marketing, and this workgroup tries to cover them all.

Can you help? You don't need to be a governor, and meetings occur only every two months or so. It would be great to have you on board. Contact rbriggs@allsaints.wokingham.sch.uk for more information.

We are holding the following open mornings during November for parents who have a child starting school in September 2022 (Reception) and those interested in a place at our Nursery.
