Reception Summer Term Week 3

Notices

- This Powerpoint details the learning for the whole week, alongside a suggested timetable this pack is the maximum amount of work for the week. The mental wellbeing of parents and children is the priority so please do not worry about completing all tasks every day.
- There will be extra resources posted on the team page which are non-compulsory but may give you some extra ideas if you want to extend your child's learning.
- If I can help you in any way, please contact me on the Teams page.
- Thank you for all of your support during these unsettling times I am looking forward to seeing you all again soon.

- Practise writing: a b c d

Snack time...

- Have a snack and read your favourite story with a member of your family
- Talk about the best parts of the story.
- Why is it your favourite story?
- Take a picture of you reading your favourite story and post it on the Teams chat ©

Today we are going to be learning about the number...

17

- Watch the number blocks episode -
- https://www.youtube.com/watch?v=giiP hCsUHU

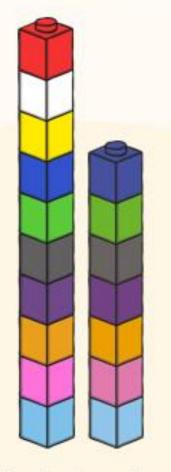

Can you answer these questions...

- What number do you add to 10 to make 17?
- What is one less than 17?
- Is 17 odd or even? How do you know?
- Can you do 17 jumps? Pat your head 17 times?

Can you paint/draw a picture that has 17 parts?
 Can you make it look like 17?

Cube Towers

This is the number 17 shown as towers of cubes.

How do you know?

Can you check that there are 17?

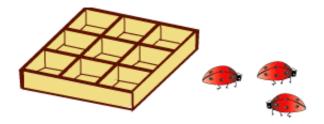

Challenge

Find 17 small things. Can you make two groups with the 17 things? How many do you have in each group? Is there another way?

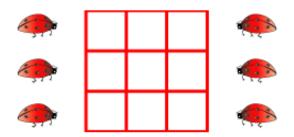

Ladybird Box

Age 5 to 11 **

Some toy ladybirds are kept in this box which has 9 little square compartments.

Can you place six ladybirds into the box so that there are just two ladybirds in every column and every row?

You could try this interactivity.

https://nrich.maths.org/144

Have a go at this maths problem - there may be more than one answer!

Collective worship/singing

• This part of the day is not compulsory, however it is always nice to have a sing song and reflection time ©

Have some choosing time - you've earnt it!

• If you want an extra challenge you could...

Find 17 toys and partition them into different sized groups - how many are in each group? Which group has more/less?

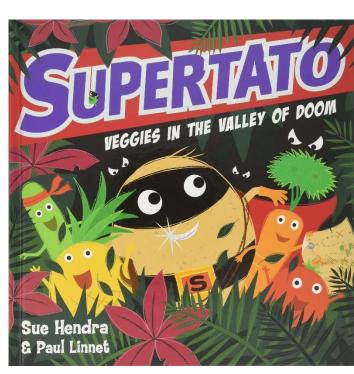

Topic work

 https://www.youtube.com/watch?v=dIMb5oa370o - Watch the video of the story "Supertato: Veggies in the valley of doom"

Talk about the story:

- What was your favourite part?
- Who was good/evil?
- What was the problem(s) in the story?
- How did the characters solve it?

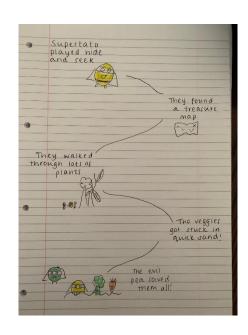

Topic work

- Can you create a story map to retell the story of "Supertato: Veggies in the valley of doom". Draw some pictures and write some captions to help you remember.
- Can you include a beginning/middle and end?
- Have a look at my example for ideas ©

You could create some actions to help you too!

Time for some reading...

• Cosy up with your reading book ©

A little reflection for today...

 Talk about what has made you laugh or made you happy today © If you want too, share it on the teams page!

Maths · Today we are going to be sharing!

Abed has 3 rabbits who love eating carrots. He has 6 carrots to share between them. How many carrots will each rabbit have? Draw 3 rabbits and share out the 6 carrots to check.

A squirrel collects 10 nuts to share between her 5 babies.

How many nuts will each baby have? Draw the nuts to check.

Digestives

Share out 15 biscuits between your favourite 5 toys. How many biscuits does each toy have? Is it fair?

Make a cake for some friends and share it out. If you cut it into 12 pieces and there are 4 people, how many slices could each person have?

If a packet has 20 sweets in and you share them equally between you and 3 friends, how many will you get each? Draw 20 sweets on a sheet of paper, equally sharing them into the 4 corners of the paper. Count how many are in each corner.

Can you write down your working out using pictures or numbers?
