News

22nd January 2024

Dear Parents/Carers,

Our Collective Worship this week focussed on helping others, particularly those who may feel left out, excluded or not part of a community. The children were very thoughtful about how they can help those in their school, town and wider world to feel a sense of belonging. We were able to link this to our school value of community and welcome examples from the children in the coming weeks about how they have helped others.

Events

It has been very busy in school this week, with visits to St Crispin's to be inspired by a group of Beat Boxers by Year 4 and Year 6. I hear we even had some impressive All Saints performers! Reception and Nursery were visited by a Guide Dog on Friday, finding out about all the wonderful work Guide Dogs do to help others. Finally, Year 2 pupils and parents had an insightful and informative wellbeing workshop from Jess at BRIYM (Building Resilience In Young Minds) who gave us some very useful strategies to support our resilience. Message from the Chair of Governors

We have a vacancy for a Parent Governor to join our Local Governing Body.

Governors do not need to be experts in the field of education, what we need is an interest in the welfare of students together with the time and willingness to be involved. So if you are interested in joining the Local Governing Body of our **Good** school then please email me at sjohnston@allsaints.wokingham.sch.uk to find out more.

Steve Johnston, Chair of Governors

Wishing you a pleasant week,

Ms Quinell
