**Parental Involvement: 'Learn About'**

Thankyou to all those of you who attended our Learn About sessions last week. Feedback from the sessions was very positive with parents taking part in 'real' lessons in the same way as the children. We really hope you enjoyed your time and learned something about what happens in school. More sessions are to follow this wee and next term.

**Attendance**

At All Saints we pride ourselves on our strong attendance, as regular school attendance is vital for providing children with the best start in life. It's equally important that all children arrive on time. Morning registers are taken at 8:50 am, and any child arriving after this time will be marked as late and must be signed in at the office. If your child arrives at school after **9:20 am**, we are required to give them an unauthorised mark for that half-day session which will be displayed as 'U'. Should a child be consistently late, parents will be asked to attend a meeting to discuss ways to improve punctuality. Learning begins promptly at the start of the day, and it is essential for all children to be present and ready to learn. If your child is unable to attend school for any reason, please notify the school office as soon as possible. This helps us ensure the safety and well-being of all our students. Thank you for your cooperation.
