**Dear Families,**

WE CAN DO IT! **'Luke 18:1-5'**. In assembly last week we discussed what it means to be resilient and how this fits with our school values. We thought about how we keep on going even when we encounter difficulties.

**What's happening in school?**

**EYFs** In EYFS we have been learning about **traditional tales** including The Three Billy Goats Gruff and Goldilocks and the Three Bears. We have practised saying repetitive phrases.

**Y1** Year 1 conducted a **Science** investigation looking at how transparent or opaque materials are to help someone figure out what material to use for curtains!

**Y2** In **Art** the children made line drawings of castles and layered them on top of water colour backgrounds.

**Y3** In **Science** Year 3 have been investigating how the length of shadows change throughout the day

**Y4** Year 4 have been working hard on their times tables and have enjoyed practising rapid recall of times tables using **Times Tables Rockstars** online.

**Y5** Year 5 investigated materials which are soluble and insoluble in **Science**.

**Y6** In **History** Year 6 have learned about vessels and aircraft used in **WWII** to evacuate troops from Dunkirk. They have been singing White Cliffs of Dover as part of this topic.

**Years 1 and 2** joined the children at Keep Hatch to listen to author Zanna Davidson. She made slime, bouncy eggs and paper water bombs with the children, all linking to her book series Izzy the Inventor'!
