Compassion Courage Community Curiosity

Dear Families,

We have been practising hard this week in preparation for our **Harvest Celebration at All Saints Church** next **Friday 25th October at 2pm.**

What Is Happening in School?

EYFs

Y1 have been learning about smaller numbers in **Maths** that add together to make up whole numbers!

Y2 have been investigating waterproof materials in **Science**, using suitable materials to make castles in order to protect King Charles.

Y3 have been using mixed media to create a cave painting scene in Art

Y4 have been writing creative poetry about the lives of the Viking invasion

Y5 have been working hard to follow guidance on how to draw different styles of Greek columns and were incredibly impressed and proud of their results! The concentration and focus in the room from everyone was amazing!.

Y6 have been studying biographies in English and to celebrate **Black History Month**, they will be writing their own biography about the contributions to society of an influential black person!

In **History**, some children have been inspired by our WW2 topic to bring in and share artefacts from relatives who lived during the war.
