# Let Your Light Shine

*'Let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.'* Matthew 5:16

**Compassion Courage Community Curiosity**

## Dear Families,

Last week was very busy in school.

The chicks hatched in **Reception** much to the delight of all the children. They are growing rapidly, eating, drinking, hopping around in the incubator and making a lot of noise!

**Year 3** have been learning and performing a poem. Please scan the QR code to listen to our performance.

**Year 4** visited the Living Rainforest where they learned all about the animals and plants that live there and how they have adapted to live in a hot, wet climate.

A group of netballers from Year 3 and 4 attended the netball tournament at The Holt secondary school where they had fun learning all about skills needed to play a successful netball match.

**Year 5** were visited by the Fire Service.

Two teams of **Year 6** scientists took part in the Science Fair at St Crispin's secondary school. The children from Canada class showcased an experiment involving gases produced when mixing different substances. They won the award for the best team work! The children from America class made Oobleck which is a 'non-Newtonian fluid' that can behave like a liquid and a solid. The name Oobleck is derived from a Dr. Seuss book. The children won the Curiosity Award!

Well done to all children who took part in last week's activities and to the adults who gave up their time.

### Stars of the Week—who have let their lights shine this week?

Reception – Esther M  
Year 1— Inaaya S  
Year 2— Huzefa B  
Year 3—Arlando B
