# Let Your Light Shine

Compassion Courage Community Curiosity

Dear Parents and Guardians,

As we move into the final few weeks of the academic year, I would like to begin by thanking all of our parents and guardians for your continued support, understanding and flexibility, particularly this week as we have had to make several adjustments in response to the extreme heat. We know that changes to routines and arrangements can sometimes be inconvenient, so we are incredibly grateful for the way our school community has worked together to support one another and ensure the children’s safety, wellbeing and comfort remain our top priority. As we approach the end of the academic year, it is always valuable to pause and reflect on just how much the children have grown since September. Across the school, we have seen children develop not only in their learning, but also in confidence, resilience, independence and maturity.

It is often at this stage of the year that we really notice how much progress has been made. Children who may have started the year feeling unsure are now tackling challenges with greater confidence, showing perseverance when learning feels difficult and growing in independence both inside and outside the classroom. These moments of personal growth are just as important as academic success and are wonderful to see.

This week has also provided many examples of our children living out our school vision and values so beautifully. Despite the challenges of the extreme heat and changes to routines, children have shown compassion, community and perseverance by supporting one another, adapting positively and continuing to approach school life with enthusiasm. These everyday moments, both big and small, serve as a powerful and important reminder of what makes All Saints such a special place. I continue to feel incredibly proud of our children and the way they consistently let their light shine.

Wishing you all a wonderful weekend.

Kind regards,

Miss S E Hunter  
Headteacher
