Let Your Light Shine

Compassion Courage Community Curiosity

Dear Parents and Guardians,

As we reach the end of our third week of term, it has been lovely to see the children settling into their new classes and routines. At All Saints, we want every child to feel that they belong, that they are valued for who they are and that they have their own unique light to shine. Feeling part of our school community, developing positive friendships and knowing there are adults who will listen are all important parts of children's wellbeing.

World Mental Health Day takes place on Saturday 10th October and we will be marking this in school on Friday 9th October. During the day, we will spend time thinking about what good mental health means, how we can look after our own wellbeing and how we can support one another. We will remind children that everyone experiences different feelings and worries at times and that talking to someone and asking for help is always okay.

To help us mark the day, we would love children (and staff) to come to school wearing a yellow accessory alongside their usual school uniform, perhaps yellow socks, a ribbon, hairband, badge or wristband. Yellow is used by Young Minds as a symbol of hope and a reminder that children and young people are not alone. There is no need to buy anything especially for the day; something small and simple is perfect.

Together, we want every child at All Saints to know that they belong, they matter and there is always someone ready to listen.
