

All Saints CE Primary School and Nursery

News

15th September 2023

Dear Parents/Carers,

Welcome back to a new school year. The weather has been exceptionally kind to us for the first part of the term and it has been so welcome, following the rather dreary holidays.

It has been a delight seeing how quickly the new Reception children have settled into school and how well the rest of the school are adapting to new classrooms and routines.

Classroom improvements

Many thanks to the PTA for raising money to enable every classroom to create or upgrade a reading area over the next few weeks. The staff are very excited to be able to refresh the books in their rooms and think about creating a space for all to enjoy a book. Once complete, we'll ensure there are pictures for you.

Technology upgrade

Following a robust applications process, we are delighted to announce that we have been successful in securing a grant from the Wellington College outreach programme which will enable us to buy new laptops and upgrade our WIFI system across the school. This is a project which has been on our wishlist for a while, so we are grateful to Wellington College for enabling this.

New website

You may have noticed that the school has a new website. We are in the process of ensuring everything has been transferred over correctly and will be updating all documents on a rolling programme. I'm sure you'll agree it looks great and it certainly feels easier to navigate, but we welcome any feedback.

PTA

School budgets have never been tighter and the PTA play such a vital role in raising additional funds for our school. There is so much the children would miss out on without the generosity of parents and the fundraising efforts of the PTA. The AGM is taking place on the 21st September at 7.30pm in the Rainbow Room. So the children can continue to have these wonderful extras and fun experiences, I would urge you to consider putting your name forward to support so the PTA can continue.
