Have some
choosing
time. You've
earned it!

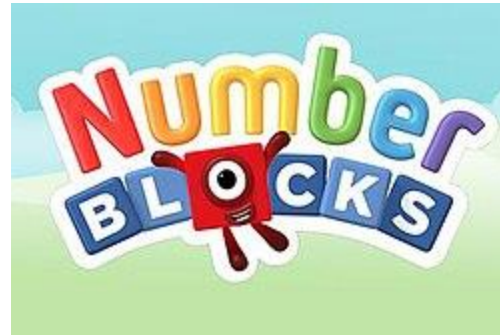

Maths

- Spiders have 8 legs.
- Can you find 8 of anything in your house?
- Can you build a tower of 8?
- Photos please to Teams
- How many legs does a spider have on each side?

Numberblocks episode 4

Maths challenge

- With an adult's help put tape or wool across a tray. If you have some small toys or plastic insects drop them in. Now try to pick them up using chopsticks or fingers. This challenge is really good for pincer control, which is an early writing skill. If you can't do this, peg some socks on a washing line, it does the same job!

Topic work

Super spider fact

Spiders have short hairs on their feet that allow them to walk upside down on ceilings and over glass.

Watch Jess Mini beast adventure spiders

Super Spider fact

Web spiders rebuild their web each day.

Maths Tuesday

Super Spider fact

Some spiders eat their old web before starting a new one. Some roll the old one up and throw it away.

If a spider has 8 legs how many socks would it need?

Can you ask to help with sorting the washing? Can you find 8 socks? Photos to Teams please.

- Mrs Swarbrick's phonic group has completed set 1 sounds and working on blending sounds and segmenting.
- Mrs Jackson's phonic group is working on set 1 sounds.
- Mrs Hawkins and Mrs Gander's Group are working on set 1 sounds.
- Mrs Brimbles group are working on Nursery rhymes and listening skills.

Snack time and story time

- Super Spider fact.
- It takes 60 minutes, 1 hour to spin a web.

Have some
choosing
time. You've
earned it!

Wednesday Maths

Outdoor Bug challenge How many insects can you find?
Can you find a spider or a spider's web?

If you can't print out, just make a note or take a photo of what you find.

As an extension challenge, you could make a bar chart showing how many of each insect you found.

[cfe-n-104-bug-count-outdoor-activity-sheet.pdf](#) in Resources in Assignment.

Topic work Wednesday

Super spiderfact
Web spiders rebuild their web each day.

Make a spider headband, using black card measured around your head and add on black legs. Add googly eyes or draw on eyes. Mrs Brimble found this idea.

Incy Wincy Spider climbed up the water spout
Down came the rain
And washed poor Incy out.
Out came the sunshine
And dried up all the rain
And Incy Wincy Spider went up the spout again.

Thursday Let's get moving!

JULIA DONALDSON • SEBASTIEN BRAUN

Spinderella

Snack and story time

- https://www.youtube.com/watch?v=9639_WmGRLk
- Super spider fact
- The average house has 30 spiders

Have some
choosing
time. You've
earned it!

Thursday Maths

In the Spinderella story, she liked to count. What can you find to count in your home or garden?

See how far you can count up to.
<https://www.twinkl.co.uk/resource/us2-t-168-nature-walk-scavenger-hunt->

Topic work Thursday

Can you make an edible spider? Mrs Gander found a spider made out of orange segments on Pinterest.

You can use whatever you have in. Maybe a biscuit with 8 legs

Super Spider fact

A spider can live for 1 to 2 years.

Friday Let's get moving!

time. You've
earned it!

Friday Maths

Super spider fact
A spider can live for 1 to 2 years

- Adding 1 more
- [t-n-7433-minibeastthemed-one-more-counting-activity-sheet-.pdf](#) In resources on Assignment.
- Can you write in the number that is missing?
- What is 1 more than 3? What is 1 more than 7?

Topic work Friday

If you can find some twigs in the garden or on your walk, you could make a web. Tie all the twigs together with wool, string or tape. Then carefully wrap your wool in and out of the twigs. Keep going in and out until your twigs are all covered with wool. Please take photos and send to Teams. Thank you.

It's the weekend!
Thank you for all your hard work!
