

## Help at home for Level 7

In order to pass Level 7 you need to identify all the numbers from 1-20 as either odd or even:

0 – even

10 – even

20 - even

1 – odd

11 - odd

2 – even

12 - even

3 – odd

13 - odd

4 – even

14 - even

5 – odd

15 - odd

6 – even

16 - even

7 – odd

17 - odd

8 – even

18 - even

9 – odd

19 - odd

All odd numbers have the following numbers in the unit column:

1, 3, 5, 7, 9

All even numbers have the following numbers in the unit column:

0, 2, 4, 6, 8

The children will be asked to write O (for odd) or E (for even) next to a number.
