

Summer 2 Week 10

Year 5&6

This pack includes:

- Suggested Timetable
- Daily Reading session - approx. 30mins.
- Daily Spelling session - approx. 30 mins
- Daily Maths session - approx. 45 mins
- Topic Grid with activities to choose from

These activities in the grid cover the full range of subjects across the curriculum. We recommend that you choose 2 activities per day in addition to spellings, reading and maths but please do spend longer if particular tasks suit your interests.

Please upload learning to Microsoft Teams when finished.

What's coming up?

We hope this slide is helpful but please get in touch on Teams or through school admin if you have any questions. 😊

The Year 5/6 Team would like to start by saying a huge thank you for all the hard work and commitment that has gone into home schooling over the past few months. We have been really impressed with the commitment and perseverance from all! However, we appreciate that recent weeks may have been a challenge with some children in school and some not, changing guidelines and many other uncertainties surrounding us. In order to accommodate while we are all adjusting to new routines, we would like to provide a more flexible approach to learning. For this reason, from the 29th June until the end of term, the packs will look a little different. Thank you for all your support. Miss Rolls, Ms Sherfield, Mr Hempson-Jones, Mrs Coulstock and Mr Hatton.

Instead of multiple lesson slides, your pack will include daily maths, reading, and spelling activities that will also be set as daily assignments on Microsoft Teams and then a **topic grid** filled with activities to choose from. This way you can personalise the learning to suit your child's individual interests and although we advise two activities per day, this is just a guideline. If a particular project engages your child please do work on it over a number of sessions.

Each week will continue to have a theme. In 5/6 these are:

Week 5 = Inspire week - Be the best you can be.

Week 6 = Charity Week

Week 7 = Reflection and Transition/Festival Week

	Reading	Maths	Break	Pick an activity from the grid	Lunch	Spelling	Pick an activity from the grid	3.00 - 3.15
Mon								HAND IN your learning
Tues								HAND IN your learning
Wed								HAND IN your learning
Thurs								HAND IN your learning
Fri								HAND IN your learning

This week's theme is: Inspire

This week we are hoping to inspire you to think about what you would like to be when you are older?

Key Words: Inspire, aspiration, occupation, profession, motivation

Key Questions: What would you like to be when you are older? How can you be the best version of you?

"Your real strength comes from being the **BEST YOU** you can be.

Who are you?
What are you good at?
WHAT MAKES YOU, YOU?"

If you are unsure of the definition of some of these words, can you look them up in a dictionary?

Optional Activity:

How many different types of job can you think of?

Can you create a mind map?

Check out these inspirational quotes. Take some time to reflect. What do they mean to you? Which one do you like the best?

LO: Introduction to translation

This week we will be translating shapes

Click the link below to follow the lesson and listen to the teacher. Both the introduction quiz and the exit quiz can be completed online.

<https://classroom.thenational.academy/lessons/an-introduction-to-translation>

Task 1 - introduction quiz

- 1) What are co-ordinates?
- 2) Which axis should you read first: w, x, y or z?
- 3) Which is the correct way to write the co-ordinates for point f?
see grid A =
- 4) If you are translating a point what will you be doing: moving it, making it larger/smaller, reflecting it?
- 5) Bonus question. – see grid B

Which is the correct way to write the coordinates for Point F?

- (1,9)
- 1,9
- (9,1)
- 9,1

Bonus Challenge Question: The teacher translated Point E 2 spaces left and 1 point 3 up. What were the coordinates before they moved it?

- (6, 7)
- (4, 3)
- (5, 8)

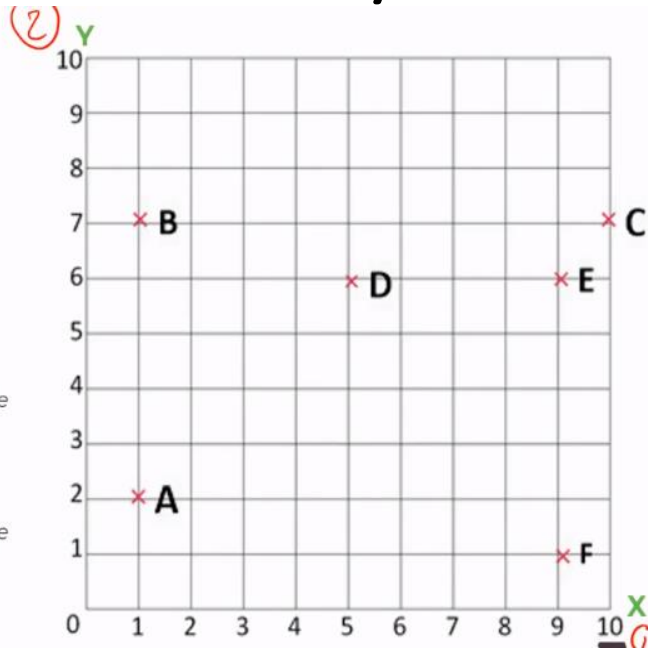

Task 2 – Video tasks. Watch the video, pause it when asked and complete these tasks. Then review your answers.

Coordinates: Your turn

Remember to:

- Work along the X axis and then Y axis
- Put you coordinates in a bracket and separate with a comma.

1. Using coordinates, how would you describe point D?
1. Using coordinates, how would you describe point F?

Translations: Your Turn

- Work along the X axis and then Y
 - Carefully count the units moved.
 - Complete: Point ___ is translated ___ units up/down/left/right.
1. How would you describe the translation from D to E?
 2. How would you describe the translation from E to F?
 3. How would you describe the translation from D to F?

Task 3 – Challenge - Independent tasks

Independent Task

Task 1 - Coordinates

Write the coordinates of each point.

Task 2 - Translation

Write the translations that have taken place using the sentence stem.

Point ___ is translated ___ units
up/down/left/right.

A to B = _____ E to F = _____
B to C = _____ F to C = _____
C to E = _____ B to G = _____

If you are following the online lesson, go through the answers and make any corrections in a different colour.
DO NOT DELETE YOUR ORIGINAL ANSWER. **NOW COMPLETE THE EXIT QUIZ**

Translating Shapes: Your Turn

Remember to:

- Pick one vertex to move.
- Carefully count your units.
- Repeat the process with the following vertices.

Task: I have had a go at translating another shape 3 units down.

Which one is correct and why?

Remember to:

- Pick one vertex to move.
- Carefully count your units.
- Repeat the process with the following vertices.

Task: Can you describe how each of the black shapes have been translated? You may use the sentence: "The _____ has moved ___ units ____."

TASK 3 – Challenge - Continue to watch the video then pause it to complete these tasks.

Independent Task

These shapes has been translated and one vertex ends up on the point marked. Describe the possible translations.

You may want to label each vertex:
“Bottom right vertex” “Bottom Right Vertex”.

“The _____ has moved _____
units _____.”

Day 3 - Reading

LO: To complete a reading comprehension

Evelyn Glennie – a short biography

Evelyn Glennie is a well-known musician who plays many different percussion instruments. She is the first ever solo fulltime percussionist. She has played all around the world with famous orchestras and musicians. Below you can read from her autobiography, *Good Vibrations*; but first, here is a short outline of her life so far.

Evelyn was born in 1965 and grew up with her two brothers on a farm in northeast Scotland. From an early age, when she started to learn the piano, recorder and clarinet, it was clear that Evelyn was unusually gifted in music.

While still at primary school, Evelyn started to lose her hearing. By the age of 12, she was almost completely deaf. At secondary school, she stopped playing most other instruments in order to put her effort into percussion. Here she began to excel as a talented musician, with support from family and teachers, especially Mr Forbes, her percussion teacher.

In those days, because of her deafness, it was difficult for Evelyn to be allowed to attend the local secondary school. Later on, in 1981, she had an even bigger struggle to get into the Royal Academy of Music in London, where she wanted to continue her studies in music. At first, the Royal Academy was unwilling even to interview her but she was finally accepted. She did better than anyone expected and completed her studies while still exceptionally young – before her 20th birthday.

In 1988 Evelyn won the *Young Musician of the Year* competition and since then her career has taken off. She has become an outstanding professional musician, winning countless prizes and awards, and has performed with many world class musicians all over the globe. Evelyn appears on television frequently, presenting music programmes such as 'Soundbites'. She has also written and performed music – not only for television, but also for film. She has even developed her own musical instrument – a new range of cymbals.

Some of Evelyn's major achievements:

- gives around 110 concerts a year
- has recorded 18 albums
- has performed in over 40 countries
- has collected over 1800 instruments
- uses up to 60 instruments in a live performance
- was the first classical musician to have her own website.

On The Road

Introducing Sharon Brown

Sharon Brown always had an unusual ambition – she wanted to be a lorry driver. Now, Sharon leads the life of which she has always dreamed. Once or twice a week she drives an LGV (Large Goods Vehicle) across long distances, delivering large loads to distant places.

After years of trying to discourage her, Sharon's friends and family finally gave in, realising how determined she was.

Training for lorry drivers can start only at the age of 21, so Sharon took a course in electrical engineering first and then worked for a haulage company until she was able to start the LGV training. Later on, she took a test that allowed her to drive articulated lorries. She passed all her tests first time.

Nowadays, she's away from home for three to five days at a time, travelling all over Europe.

On the next pages are extracts from a diary Sharon kept on a journey to Spain, transporting a load of tennis balls for the Spanish Open tennis championship. She wrote a few lines at most of her stopping points.

Monday

05.00 Nottingham Lorry Depot, England

Just picked up lorry. Glad to see that I'll be driving the new Charger, with all the latest equipment. Checked load. 20 crates of tennis balls bound for Barcelona, Spain.

09.15 Dover Ferry Port, England

A really bad start – motorway was painfully slow, but got here in the end. Then STUPID ME – got stuck behind lorry with orange warning plates carrying a full load of highly dangerous chemical. Had to wait hours for it to be checked, but I was through border control in minutes and allowed on board the ferry.

10.15 On ferry

Met Carl and Eddie. Carl reminded me about our time on the training course years ago – how I'd said then that the idea of working on the move had been my ambition since childhood. Good to see friends and talk about old times.

14.00 Laon, France

Have stopped for lunch at truck stop. At last, fantastic food! Chocolate mousse was heaven. Long stretch ahead of me, want to cover at least 300 km before next stop.

19.00 Limas Lorry Park, France

Just checked the tachograph – don't want to break any laws about how long I spend at the wheel. Have done over 700 km since getting off the ferry and been at the wheel for 7 hours. Time to stop for the night.

20.30

Made soup in microwave – yuck! Phoned home and chatted to kids. All OK. Lorry park very full and getting into bay took a bit of work. Reminded me about the course and how hard some of the training seemed then. Reversing the lorry was like trying to thread a needle with gloves on – now I can do it with my eyes closed! Tuned into some local TV stations on my portable but couldn't understand much, so listened to some French music instead and read my book. Now ready to turn in for the night in my cosy cab. Spain tomorrow.

Tuesday

07.00 E15 Motorway Services, France

Great to be on the move again. Feel like the king of the road, towering 2 metres above the rest of the traffic, with hundreds of miles of empty road ahead and behind me. French motorways great – no traffic. Free as a bird, as long as I get these tennis balls to Barcelona. Days like this reminded me why I always wanted to become a lorry driver.

09.00 Somewhere on the E15 Motorway, France

Had to make an unexpected stop as several drivers were flashing their lights at me. Discovered that my right indicator was on the blink. Checked the bulb, fuse and wires.

Seems to be all right now.

12.00 Le Boulou (15 km from Spanish border)

Good place for lunch. Will stop here another time. Have just had the best steak and chips since the one I cooked for the kids last Sunday.

17.00 Gerona, Spain

Border control very friendly and let me through without fuss. Hot, sticky weather gave way to a tremendous storm. Had to slow right down – one lorry in front skidded. Parked and sat in cab, safe, dry and comfy, for an hour; watching the fantastic forks of lightning hit the ground all around, the lorry shaking with each clap of thunder. What an experience. Won't delay any longer now, as want to get to Barcelona before dark.

21.00 Barcelona, Spain

Got to Barcelona in the dark – really hard to find your way in a strange place at night, but found it in the end. Unloaded the tennis balls. Exhausted at end of a long day but took the chance to have a quick look round a new city – love seeing new places. Tomorrow start journey home with a full load of oranges. Tonight Spanish food, music and a good night's rest.

1. What was Sharon's ambition?

1 mark

2. Why did Sharon's friends and family eventually stop trying to discourage her?

3. Look at the diary entry for Monday at 20.30.
 How does Sharon's description make her cab seem like home?
 Give **two** ways.
 1. _____
 2. _____

2 marks

4. Complete the table to show Sharon's journey.

Day	Time	Place	Event
Monday	05.00	Nottingham	Picked up lorry

		Le Boulou	Lunch

2 marks

5. Sharon compares learning to reverse a lorry to *trying to thread a needle with gloves on*.
 Why is this a good way to describe what it is like to reverse a lorry?

6. What is the purpose of the text on page 1?
 Tick one.

- to persuade you to become a lorry driver
- to explain why travelling is so important
- to give you background information
- to give you instructions about driving a lorry

1 mark

7. What evidence is there in the diary that Sharon wants to do her job carefully and safely?
 Find **two** things.
 1. _____
 2. _____

I believe I would be a suitable candidate for the position of Dog Handler within the armed forces. I have plenty of experience with animals as I own 2 dogs and a cat and have done work experience at the local vets.

I am physically fit as I regularly take part in marathons and attend gym classes twice a week. In the winter time I also play for my local football club.

I am very keen to learn and would work hard at developing the skills required for this important job. I have also experienced working in teams and leading small groups of people so I feel I could communicate well with other soldiers.

The aim is to show your best traits.

Two people have decided to apply for this job. Read the job advert below. Who would you want to interview? Why?

A job application should be written in a formal tone.

DOG HANDLER/TRAINER

Royal Army Veterinary Corps
Soldier

Responsible for the operational handling, welfare and training of protection and detection dogs

The Job

The Dog Trainer trade is primarily responsible for the handling, welfare and veterinary care of their Military Working Dog (MWD), which initially involves handling Protection Dogs in a MWD Support Unit. You will be responsible for the security and safety of key strategic assets and security bases and may serve wherever the Army is deployed. Later in your career, you may be selected to handle a Specialist Dog, responsible for the detection of Arms and Explosives, or with other MWD classifications that the Army employ.

The Right Job For Me?

Dog Trainers are soldiers first and must be competent in their military skills before they can be teamed with a Military Working Dog. Handlers must be physically fit and have the patience and affiliation with dogs that ensures you put the dog's needs first. You should be mature, confident, self-motivated and show leadership qualities, including eagerness and a capacity to learn, as your job will involve briefing commanders and troops at all levels and training other handlers. You must have a desire to work with dogs in every environment which often requires you to work long, unsociable hours.

What Skills Will I Learn?

Veterinary Care and Husbandry, including the health, welfare and continuation training of MWDs
Protection Dog handling skills including security of personnel and equipment, detection and apprehension of intruders. Specialist Dog handling skills, including the detection of arms, explosives, drugs or tracking intruders. The management of Protection and Specialist Dog teams around the world
Military Working Dog training skills in a variety of dog classifications

I think I'd be good at this job cos I like animals and my Nan owns a dog which I take for walks sometimes. I am very good with horses and tortoises, they are my favourite animals.

I used to play football at school but don't really exercise very much any more. I would go to the gym if I got the job.

I like learning stuff and I can work with other people if you need me to.

My hobbies include watching tv, going shopping with my mates and going to the beach. I don't like wasps, cheese and heights.

Please give me the job.

Always refer to the skills asked for in the application.

Naval Nurse

Naval Nurse What you do

Put your nursing qualification to good use – keep everyone in the Naval Service team fit, healthy and effective, anywhere in the UK or overseas.

What we look for

You need a bright, cheerful personality and plenty of common sense. It's crucial that you can remain calm, but react quickly in an emergency. Above all, Naval Nurses need to be committed, enthusiastic team players.*

Firefighter

Firefighters attend a wide range of incidents including car accidents, chemical spills and, yes, even rescuing pets. They don't just fight fires!

Firefighters also visit homes and community groups in order to advise and educate people about minimising the risks of fire.

With such a varied job, firefighters need a combination of physical strength and stamina, intelligence, bravery, strength of character and compassion.

The training is intense and thorough and includes theoretical lectures as well as plenty of practical exercises. There are many examinations that must be passed on the way to becoming a firefighter.

You will need to work hard, do regular study and pass formal assessments on each module of the course.

Zoo Keeper

- Someone who is deeply interested in animals and their welfare, but not sentimental about them
- Someone who is not afraid of hard work
- Someone who is dedicated to their work and to the conservation of wildlife
- You will need to be reasonably fit and healthy as the work is often physically demanding, and you need to be prepared to work long hours and regular weekends.

Keepers must also enjoy working with people as they frequently meet visitors in the course of their day's work and have to answer their questions. Keepers may also be required to take part in public presentations on animal matters. Each keeper is attached to one of the animal houses or sections, but may move to another if the need arises or to gain wider experience with a different group of animals.

Practical skills in animal care, good observation and record keeping are very important.

Holiday Rep

To apply for this job you will need a variety of different skills. You will need to have excellent communication skills in order to deal with holiday makers and workers in our hotels. You will need to be patient, well organised and hardworking. An enjoyment of working outdoors and of hot weather is desirable. Additionally you will need to be enjoy organising activities for holiday makers and have plenty of ideas. If you desire to be a children's rep then you will need to be creative, active and hold the relevant qualifications for child care.

Chef

This job requires an applicant who is willing to work hard and is dedicated to creating interesting and delicious meals. They will need to show that they have a love of food and have some basic skills in cookery. We will develop these once in the job. You must be able to follow instructions, work under pressure and have an eye for detail. An ability to plate food up creatively and make it look presentable would be helpful.

Read these job applications and highlight the key skills as shown in the Firefighter application example. Which job do you feel best suits you?

Task: Can you write a job application for one of these positions?

You can use the example application written by Mary Smith on the previous slide to help structure your work.

Remember to sell yourself and give examples of times you have demonstrated the skills asked for.

LO: To create a poster about your dream job

Success Criteria

Research your dream job

Describe skills

Describe qualifications

Say why it is your dream job

Draw a picture of you doing your dream job

Task:

Find out some more information about your dream job. What skills and qualifications will you need? What would a typical day look like? Why is it your dream job? Draw a picture of you doing your dream job and add information about the job around the outside.

All about me

LO: To explain my thinking using paragraphs

Starter: Use this template or draw a picture of yourself in the centre of your page.

On the left hand side write down things you feel unhappy about.

Remember the power of **positivity**, your challenge is to write more on the positive side than the negative side.

On the right hand side, write down just as many things you are happy about or grateful for.

It's fine to feel **sad, worried or anxious** sometimes but remember for every negative, **there is always a positive**. It's about training your mind to think of it. This is called **positive reframing**.

Dictionary Check:

It would be useful for you to understand the meaning of these key words. Look them up in a dictionary or online before starting this activity.

- Unique
- Adversity
- Belonging
- Overcome

Please watch this short film,
then answer the reflection
questions.

https://www.youtube.com/watch?v=yu24PZlBk_oY

Please respond to at least 3 out of 5 of these questions with extended answers. You should aim to write a short paragraph for each. Remember to add examples.

- Can you describe what happened in the film?
- What makes you special and unique?
- What has been your greatest challenge and how have you overcome this?
- Is it good to be different? Explain your views.
- How can you help others feel like they belong?

Presentation Tip:

Use the questions as
sub-headings.

LO: To write a thank you letter

Task:

Write a thank you letter to thank one of the people who made a video for you. Write it in rough first, show an adult and then publish it. You may then add a picture to your letter once it is complete. Hand this in on Teams so we can send your letter on your behalf.

Success Criteria

Say thank you

Say what you enjoyed and found interesting about the video

Say what inspired you

Neat handwriting and check spellings

Bonjour year 5!

- This week we are going to continue with our ‘**Un sandwich surprise multicolore**’ project.
- Last week we stopped at slide 12. Continue watching the video from there.
- <https://www.youtube.com/watch?v=D1P-auQlIKc>
- When you get to slide 22 please listen carefully to the spoken words and write them down in your book. You will be listening out for the endings of the words to decide whether they are masculine or feminine.
- Continue watching until you get to slide 26. On this slide and slide 27 please write down what will be underneath the blue rectangles.
- On slide 29 there is an example of the sort of sandwich you could describe. You will see the phrase ‘il y a’ which means ‘there is’ just like we had in the sequence poem project. You can choose whether you would like your sandwich to be a ‘proper’ sandwich with real food (but in different colours), or you can be creative and add in some yummy insects.
- Continue watching to the end of the video. Have a think about what you would like your sandwich to include and write some ideas down in your book in English. Your sandwich should have three or four fillings.
- Next week we will be ‘creating’ your sandwich.

Budgeting

L.O. To understand what a budget is and how to create one

Today we will be learning what a budget is, why it is important to budget and how we can create one.

Key Vocabulary
for this lesson:

Budget

A budget is a document that records your way of dividing up your money and planning what you're going to do with it.

Income

The amount of money you make from your job

Expenses

What you spend your money on

Balance/
Net Income

What you have left for the rest of the month or to spend next month

Here is what a real budget planner looks like:

Task 1:

Category	Budget Amount	Actual Amount	Difference
INCOME:			
Salary/Income			
Other Income			
INCOME SUBTOTAL			
EXPENSES:			
Taxes			
Rent/Mortgage			
Utilities (Gas, Electricity, Telephone etc)			
Food			
Clothes			
Shopping			
Going Out			
Transportation			
Savings			
Donations			
Miscellaneous/Other			
EXPENSES SUBTOTAL			
NET INCOME (Income - Expenses)			

Look at the Budget Amount column.

Here is where you are going to make an estimate (guess) of how much you will spend each month.

The average household in the UK earns around £2,400 a month - based on estimates from the Office for National Statistics's (ONS's)

£2,400 will be your Salary/Income
 You will need to decide how much you are going to pay for

- Taxes (this goes to the government)
- Rent/Mortgage (how much you pay to live in your house)
- Food, Clothes, Going out etc.

Write each of your estimates in the **Budget Amount** column.

You can print this off or draw this into your workbooks.

Now have a look at what you are going to spend your money on this month.

Choose things from each column and remember that these will need to be put into the **Actual Amount** column on your budget planner – who will you go with? Aldi or Tesco? Vodafone or BT?? Will you choose NOT to have some of these things?

Utilities (Gas = £33 Electric = £34 Water = £35 Telephone = ?)	Food 	Clothes	Going Out	Transportation	Donations 	Other TV entertainment packages
BT : £30	Supermarket shop £200	Tshirt at Tesco £10	Eat at a restaurant £18	Bus pass : £63	£10 – Any charity	Freeview : £0 + £12 for TV licence
Vodafone : £20 Virgin media: £26	Takeaway: £20 average a week. A month = £80	Tshirt at Primark £4	Go to the cinema: Ticket £10 Food £10	Car : Insurance: £50 (lowest) Petrol: £200 (highest)	£20 – Any charity	Sky: £30 + £12 for TV licence
EE : £24 Plusnet : £23	Other snacks: £10 a week £40 a month	Tshirt at Nike £30	Go bowling: £10 per person Other:	Bike : annual service and parts £20	£30 – Any charity	Netflix: £9 + £12 for TV licence
Sky: £37		Average person spends £100 online shopping a month		Walk : £0	£40 – Any charity	Amazon Prime: £8 + £12 for TV licence

Make sure you have put in your choices for your Actual Amount each month.

What was the **Difference** (subtract) between your estimate (guess) and the actual amount you ended up spending?

Task 2:

- Now you need to work out how much you have spent this month in TOTAL (add up all your expenses)

- Next, work out how much you have left (subtract) at the end of the month.

Income -
Expenses

Category	Budget Amount	Actual Amount	Difference
INCOME:			
Salary/Income			
Other Income			
INCOME SUBTOTAL			
EXPENSES:			
Taxes		£270	
Rent/Mortgage		£1000	
Utilities (Gas, Electricity, Telephone etc)		£33 + 34 + £35 +	
Food			
Clothes			
Shopping			
Going Out			
Transportation			
Savings			
Donations			
Miscellaneous/Other			
EXPENSES SUBTOTAL			
NET INCOME (Income - Expenses)			

Some questions for you to think about...

- Why do you think it is important that you have a budget?
- What is the most expensive thing to budget for each month?
- How can you save money each month?
- What might 'other income' be? How could you get some extra income?
- Which items did you have to pay for? These are your NEEDS
- Which items did you not have to have? These are your WANTS
- What is the difference between the things you NEED to pay for and the things you WANT to pay for?
- At the end of the month could you afford all of your WANTS?
