- Being a global citizen
- The learning charter
- Our learning charter
- Owning our learning charter

RE

Study of Islam

Key Question: What are some ways that Muslims show their commitment to Allah?

Science - Light

- Recognise that light appears to travel in straight lines
- Use the idea that light travels in straight lines to
- Explain that objects are seen because they give out or reflect light into the eye
- Explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes
- Use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.

Art

Georgia O'Keeffe

- Know how to use perspective and scale to create a piece of work
- Understand modernism and precision art styles.
