Let Your Light Shine

'Let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.' Matthew 5:16

Compassion Courage Community Curiosity

Dear Families,

At last we saw some sunshine last week and a few glimpses of Spring through the bulbs which are starting to push through. T

In school last week The sunshine definitely made a difference to the children and it was lovely to see the school calm and focused on their Mental Health week activities. They spent a lot of time discussing and sharing ideas and learned a lot about how to look after their minds and bodies.

Y2 and Y4 had took part in a workshop to find out how to manage feelings of anxiety. They learned about how to 'tame their monsters' in fun and exciting ways. All children were very talkative at the end of the workshop. Thankyou to those parents who attended.

All of our classes collaborated on a whole art project based around

Art Competition in School to celebrate The year of the Snake!

The competition winners were invited to the front in assembly to show their work.

Well done to:

KS1 Noah
Y3 Abdoullie
Y4 Nancy
Y5 Darla-Rae
Y6 Jaynie

**KNOW YOURSELF,
GROW YOURSELF**

Year 6 are taking their learning from the curriculum driver, "Our Changing World", to write letters to Wokingham's local MP about the importance of taking care of our planet.

KEEP SAFE IN WOKINGHAM CAMPAIGN FEBRUARY 2025

'Involve Community Services' and Wokingham's Community Safety Partnership are hosting Wokingham Borough's first KEEP SAFE CAMPAIGN.

This campaign is dedicated to promoting safety for all our residents. A launch webinar on 3 February will introduce a series of **virtual learning sessions** throughout February for people of all ages focusing on online safety and understanding how this can impact on keeping safe in the physical world.

The campaign will bring together voluntary sector groups, local government professionals, schools and other key partners to collaborate and share resources to keep our community safe.

With learning events targeted at different audiences including parents and carers, people of all ages and local practitioners, we hope to bring a greater awareness to challenges such as cybercrime, e.g. scams and hacking and how to avoid being a victim, technology enabled abuse and how everyone can keep safe on-line. The aim is to help residents to navigate the digital world safely.

Webinars will be delivered by organisations such as **South - East Cybercrime Unit, Violence Reduction Partnership**, and the **NSPCC**.

Go to the below website for more information to book a space at the launch and the webinars of interest to you:
