Compassion Courage Community Curiosity

### Welcome Back

*'Let Your Light Shine'*

Dear Parents and Guardians.

At All Saints, our vision '**Let Your Light Shine**' is at the heart of everything we do; in our learning, our friendships, and our wider school life. Through our Collective Worship and our daily activities, we reflect on how each of us can shine brightly by living out our school values of Courage, Curiosity, Compassion, and Community.

We are so proud of the many ways our children demonstrate these values every day, showing courage when facing new challenges, curiosity in their learning, compassion towards others, and a wonderful sense of community in helping and supporting one another.

Each week in Collective Worship, we celebrate children who have been living out our four school values. These children receive a Star of the Week certificate, which they can proudly bring home to share with you. Their achievements are also displayed in our school hall. We also have a special display in the hall to celebrate all the ways our children are letting their light shine across the school.

We know that our children continue to shine beyond the school gates, and we'd love to hear about it! If your child has let their light shine or shown courage, curiosity, compassion, or community outside of school, perhaps through helping others, trying something new, or showing kindness in your local area, please let us know. We'd be delighted to celebrate these moments in school too. Please email the school office or speak to a member of staff to let us know.

Together, we can recognise and celebrate all the wonderful ways our children 'Let Their Light Shine' in school, at home, and in the community.

Kind regards,

Miss S Hunter.
