News

24th November 2023

Dear Parents/Carers,

Greek Chemistry Day

An amazing day was had on Thursday by all of Year 5 who were joined for the day by Keephatch Year 5 to experience a day of Greek Chemistry with a visitor from the University of Reading. The children worked in groups to experience a wide range of chemistry experiments and techniques which would have taken place in Ancient Greece, including pottery and colour experiments. 'It was fun, entertaining, interesting and educational!' (Clara) 'The chemical reactions were the best bit because they were shocking.' (David)

Celebration Assembly

We love being able to share the children's out of school achievements in our Friday assemblies. If your child has passed a music or dance exam, for example, or has completed a significant sporting achievement, do please let us know so I can share the good news with the rest of the school.

Children in Need

A huge thank you to all who brought in a donation for Children In Need last week—we raised a grand total of £180 for the charity.

Parent Teacher Meetings

If you have not yet booked an appointment to see your child's class teacher next week, please sign up as soon as possible. If you need any support booking an appointment, please contact the school office. Members of the school's governing body will be available of both evening to introduce themselves.

Parking near the school

Please remember to show consideration to our neighbours when parking near the school at pick up and drop off time by not blocking driveways and, if any driving incidents occur, please do report these appropriately.

Ms Quinell
