

All Saints CE Primary School and Nursery Newsletter Summer 2 July 22nd 2024

Compassion **Curocity** **Community** **Courage**

Dear Families,

As the summer term draws to a close, I want to take a moment to reflect on the many achievements and memorable moments that have marked this term. It has been a term filled with learning, growth and joy; I am immensely proud of our children, staff, and our school community.

Firstly, I would like to congratulate the children on their hard work and dedication throughout the term. They have shown remarkable resilience and enthusiasm, embracing every challenge and opportunity with a positive spirit. From mastering new concepts in the classroom to participating in various extracurricular activities, their efforts have been truly commendable.

Our annual sports days were a tremendous success, with children demonstrating excellent sportsmanship and teamwork. It was wonderful to see so many families joining us to cheer them on. Your presence and support made the day even more special for everyone involved.

Educational trips and field studies continued to provide the children with valuable hands-on learning experiences. These outings have not only enriched their understanding of the curriculum but also sparked their curiosity and love for discovery. The feedback from both children and staff has been overwhelmingly positive, highlighting the importance of these trips and visits.

Our Summer Fair was a success thanks to the determination of our small PTA and the enthusiastic participation of our children and their families. The children's stalls were a highlight, showcasing their talents and hard work. We deeply appreciate the support and involvement of our families and staff which made the event truly memorable for everyone and brought our community together. Next year we are looking to expand our PTA and would love you to be involved – more details to follow. We also have some new initiatives planned for next year that will hopefully enhance our children's learning experiences further and engage families more. More details will be shared with you in due course.

As we look forward to the summer holidays, I encourage you to celebrate your child's achievements and enjoy some well-deserved time together. The break is a perfect time for children to explore new hobbies, spend time outdoors, and nurture their creativity. Reading for pleasure, playing games, and engaging in family activities will help them return to school refreshed and ready for the new academic year.

I would like to extend my heartfelt thanks to our dedicated staff for their unwavering commitment and passion. Their hard work and innovative teaching have played a significant role in making this term a success. I also want to express my gratitude to you, our families, for your continued support and involvement in our school community. Your partnership is invaluable in creating a nurturing and dynamic learning environment for our children.

And finally, as the term comes to a close, we say a heartfelt goodbye to some of our cherished teaching staff who are moving on to new adventures – Mrs Wilkinson, Mrs Price, Miss Raikes, Miss Kurucz, and Mrs Lau. Your dedication, passion, and commitment have left an indelible mark on our school community, and you will be greatly missed by children and colleagues alike. We wish you all the best in your future endeavours and thank you for the invaluable contributions you have made to our school.

Looking ahead, we are excited about the upcoming academic year and the opportunities it will bring. In the meantime, I wish you all a wonderful and restful summer break. Stay safe, enjoy the sunshine, and I look forward to welcoming everyone back in the Autumn term.

Ms Collinson Acting Head Teacher

Stars of the week – who have consistently shown all our school values this year.
